

SECTION 01 61 25 - GENERAL INTERIOR FINISHES AND COLORS

PART 1 - GENERAL

1.1 SUMMARY

A. Section includes:

1. General interior finishes and colors for various products specified for the Project not including interior décor finishes and colors.

B. Related Sections:

1. Refer to specific Sections of the specifications for product and installation requirements of products listed in this Section.
2. For finishes and colors in areas of the store typically visible and accessible to customers and associated with interior décor package, see Division 01 Section “Décor Interior Finishes and Colors.”

1.2 DEFINITIONS

- A. General Interior Finishes and Colors: Finishes and colors that are not Décor specific. Typically, these are finishes in areas of store not accessible or visible to customers. This includes back rooms, break rooms, store offices, enclosed prep areas. This also includes floors and ceilings in open prep areas and public toilet rooms.
- B. Décor Interior Finishes and Colors: Finishes and colors specific to a certain Décor. Typically, these are finishes in areas of the store visible and accessible to customers. This includes sales area, open prep areas (excluding flooring and ceilings), and pharmacy.
1. Refer to Division 01 Section “Décor Interior Finishes and Colors.”

1.3 PROPRIETARY NAMES

- A. Use of manufacturer's proprietary product names to designate colors, products, or materials is not intended to imply that the products or materials named are required to be used to the exclusion of equivalent products and materials of other approved manufacturers. Approved manufacturers shall include those as specifically named within each specification section and those approved in writing, by the Owner's Representative, at least ten days prior to bidding.
- B. The products listed in this Section are the “Basis of Design” products. When proposing products other than the “Basis of Design” products, furnish the proposed product's actual samples, data sheets, and certificates of performance along with the “Basis of Design” product's actual samples, data sheets, and certificates of performance as a comparison.
