Based on the SiteFolio pictures provided, the existing electric hand dryers in the restrooms indicate that new Dyson electric hand dryers are part of the scope, but Sheet A-4.1 Typical T verify that these "non-Dyson" electric hand dryers are to remain as is, or if new Dyson electric dryers are to be included, please verify if these are to be Kroger-supplied per Sheet A-4.1, or understanding that Kroger may now desire to have these contractor-supplied moving forward
