

Aluminum Side Loading Pan Rack

These sturdy aluminum pan racks are suitable for many different applications. Available in both end loading and side loading models for 18" x 26" pans.

8040910

FEATURES:

- Sanitary square aluminum tube
- Radius corners for comfort when pushing
- Heavy gauge aluminum angle runners
- Standard Rack includes (4) swivel casters with polyurethane wheels

OPTIONS:

- (4) 5" x 1.25" flat plate swivel casters with Heavy duty caster channel. Channel protects the caster from the environment and prolongs the useful life of the casters (inquire with your customer service representative)
- Tray Stop (inquire with your customer service representative)

REPLACEMENT PARTS:

- (4) 5" x 1.25" swivel casters with polyurethane wheels. Replacement order #B000025

Shown with optional flat plate swivel casters and protective hat channel. Contact your sales representative for more details.
