

## SECTION 01 61 27 - DÉCOR INTERIOR FINISHES AND COLORS

### PART 1 - GENERAL

#### 1.1 SUMMARY

A. Section includes:

1. Interior finishes and colors for various products specified for interior décor finishes and colors.

B. Related Sections:

1. Refer to specific Sections of the specifications for product and installation requirements of products listed in this Section.

#### 1.2 PROPRIETARY NAMES

- A. Use of manufacturer's proprietary product names to designate colors, products, or materials is not intended to imply that the products or materials named are required to be used to the exclusion of equivalent products and materials of other approved manufacturers. Approved manufacturers shall include those as specifically named within each specification section and those approved in writing, by the Owner's Representative, at least ten days prior to bidding.
- B. The products listed in this Section are the "Basis of Design" products. When proposing products other than the "Basis of Design" products, furnish the proposed product's actual samples, data sheets, and certificates of performance along with the "Basis of Design" product's actual samples, data sheets, and certificates of performance as a comparison.
