## BAKERY BAG HOLDER

ITEM #

950085-3320

The Bakery Bag Holder is designed as an “ALL IN ONE” workstation for use in the bagging of bread items. This proprietary concept contains all components of the bagging process in one easy location thereby improving labor efficiency and reducing inventory shrink. The three-shelf unit provides instant access to varying sized bags while keeping twist ties, bag cutter, and labels within efficient reach of the employee. The Bakery Bag Holder is constructed of High Impact ABS assuring longevity and durability.

11311 Wayland Way, San Antonio TX 78233
