PIPING BAG PRE-USE ORGANIZER

ITEM #

911020-0000

The Piping Bag Pre-Use Organizer is specifically designed to store and organize piping bags used for cake frosting. This container holds and organizes Piping Bags to assure a clutter free workspace and assists in inventory control. This unit conveniently rests on a tabletop assuring maximum workspace availability for the employee. The Piping Bag Pre-Use Organizer is made of High Impact ABS and clear Polycarbonate to assure long-term durability.
