## UNDER MOUNT LABEL HOLDER

ITEM #

950087-4320

The Under Mount Label Holder is an efficiently designed unit assuring maximum versatility and space efficiency. This magnetic label holder affixes to a cabinet as an under mount application and is easily transferable to other workspace locations as needed. Given the magnetic functionality, the unit is easily transferable to other workspace locations as needed; and, with an open-ended holder, changing spools is quick and easy.
