

GE186

### 1000 Watts / Light Duty

Outperforms the competition in its market segment with stainless steel interior and door plus heavy-duty grab handle. The R-21JV integrates quality design and impressive lineup of features for low-to-mid-volume operations. Ideal for vending locations!

## be informed

- **Stainless Steel Interior and Door:** Sharp's commitment to set the highest standards in the industry is evidenced by durable stainless steel interiors throughout the entire line, including the long-wearing R-21JV. Also equipped with a heavy-duty grab handle on the stainless door.
- **Computerized Touch Control:** Operation is reliable and always easy with 10 microprocessor-controlled programmable Memory pads. The pads provide one-second increment timing and adjust from 0 to 30 minutes to allow maximum flexibility. Built-in safeguards prevent unauthorized changes.
- **Preprogrammed Memory Pads:** Are easy to change and customize to meet operator's exact needs.
- **Express Defrost<sup>‡</sup>:** This timesaving feature makes last-minute defrosting quick and easy. Automatically divides total defrosting time into 3 stages using 3 power levels.
- **Double Quantity Pad:** Automatically provides optimum heating times for double portions. There's no quesswork or complicated referencing the oven does the work!
- **Digital Display:** Exceptional accuracy and easily read.
- **Memory Check:** Manager or operator can confirm time setting for each Memory pad.
- **Counter Check:** Keeps tabs on how often each feature is used.
- **Memory Lock:** If the power goes off, oven never needs to be reprogrammed. Electrically Alterable Read Only Memory (EAROM) prevents stored information from being erased during power interruptions or off times.
- **Volume Control:** Offers a choice of 2 tones and no tone; signals the end of cycle.
- **Well-chosen Details:** Interior oven light and see-through door promote maximum visibility. Rubber-sealed ceramic shelf is designed for ease of cleaning.
- **Cool Gray Cabinet with Stainless Door:** A professional favorite with handsome styling and easy-to-care-for convenience.
- **Menu Labels:** Handy peel-off labels for Memory pads.

Built to meet rugged commercial standards.  
Complies with DHHS & FCC.
