## SPRINKLE ORGANIZER

ITEM #

911022-0000

The Sprinkle Organizer is designed specifically to organize Sprinkle Containers for Cake Decoration in a bakery environment. This modular unit is designed to be stackable with drawers that pull out for convenient accessibility of product. By storing Sprinkle Containers in a convenient and organized manner, stores can expect controlled inventory management and improved visibility and accessibility of product thereby freeing up valuable workspace and storage. The Sprinkle Organizer is constructed with High Impact ABS assuring durability in a fast paced work environment.
